

Dear Community Member,

The ACHS Sequoit Gridiron Group, Inc. has been supporting the Sequoit Football Program for 46 years strong. One of the purposes of ACHS Sequoit Gridiron Group, a non-profit 501(c)(3) organization, is to fundraise money and donations; so, we can provide support to the football program, coaches, and student athletes. Support from organizations, such as yours, would mean a lot to our program and allows the ACHS Sequoit Gridiron Group to enhance the Sequoit Football Program in many ways:

- Provide meals and refreshments for summer camp, 7 on 7 games, pre & post season games for all players, managers, and coaches.
- Supplement and purchase player uniforms.
- Purchase equipment, including weight deck equipment.
- Support any student wishing to participate in football regardless of financial ability.

We are currently preparing for the 2024 season which includes a conference 7x7 challenge, a fall sports scrimmage night and four home games! It is our hope that you will consider a sponsorship to the Sequoit Gridiron Group.

We appreciate the sponsorship and welcome to the Sequoit family.
